

An Exciting National Heifer Sale

Thank you to Sexing Technologies, TX, for purchasing Dutch Hollow Valentino Cher-ET. The second high seller of the day at \$12,600.

We were pleased to be able to buy the fifth high seller, Legal Sarah 717. Thank you to Rowzee Jersey Farm, MS, for consigning her.

Congratulations to all involved with this all-donation sale. It's a truly remarkable contribution for Jersey Youth Academy. We were proud to be a part of it.

Exciting New Genomic Results:

We were quite pleased when we received our July genomic test results. Seven heifers from our "Charity" family came back with a GJPI exceeding +200. This group includes two "Plus" and four "Renegade" daughters of "Louie Charity" and a "Valentino" daughter of "Scholar Charm." The highest heifer is:

Dutch Hollow Renegade Chantel-ET, P9

USDA: GPTA (7/11 GT3K) +1,200M, +74F, +53P, +\$673CM GJPI +240
Ranks 33rd for GJPI among genotyped females
