

Congratulations Jersey Youth

The Jersey breed's future is the promise of our youth. We have always believed in the ability of talented, motivated young people and we continually see that promise fulfilled in the participation in our junior programs and as we have watched those juniors grow into active young breeders.

Our sincere congratulations go to all the best bred and owned winners as well as to the achievement, production and scholarship winners recognized at our Junior Banquet.

New York juniors were represented well

Winners of the 2012 National Jersey Youth Production Contest—Five are New Yorkers!

It was a great pleasure to see so many New York Jersey Juniors represented at the Junior Banquet in Louisville. These juniors were recognized for their accomplishments in the production contest and for attending the third class of Jersey Youth Academy. Congratulations to all!
