ACE x REBEL DIVA
+782M, +36F, +23P GJPI +123

Contact your A.I. representative today for semen! Source: USDA GPTA (4/11)

We are excited about a few young bulls that have recently left the farm: three "Valentinos" out of Dutch Hollow GM Cherish, two are heading to Select Sires and one to Semex; three "Plus" sons out of "Louie Charity" to Select Sires; and a "Legal" and a "Virgil" out of "Cherish" to Alta Genetics. *Be on the lookout for their impressive numbers!*
