We're proud to be the major milk supply for High Lawn Farm marketing under the All-Jersey Queen of Quality label and for Beecher's Handmade Cheese in New York City, where you can walk in off Broadway and watch them making cheese and sample some Dutch Hollow Dulcet. We are also 1 of 9 producers that own and market under the Hudson Valley Fresh label in the Hudson Valley and New York City area. Our plans call for further herd expansion to meet the growing demand for our Jersey milk!
