OLIVER-P was Select Sires second highest selling bull for 2018 with over 93,000 units sold. In 2017, he was their highest seller.

His dam, Dutch Hollow Mik Olive-P, E-93%, is pictured to the left doing what she does best, eating at the feed bunk to produce her high records. Also pictured are 10 consecutive days of "Olive's" production showing her three milkings and daily total. On our February test "Olive" was our high cow at 115 lbs. Two OLIVER-P daughters were second and third high for milk at 112 lbs. and 111 lbs.

Watch for "Olive's" son by CRAZE,
Dutch Hollow OSCAR-P-ET soon to be
released at International Protein Sires.

Look for our spring sale consignments!
