

# IT WAS A GREAT TIME

had by all in *New York*

A special thanks to Jerry Emerich, Herby Lutz, Mark Bolen and the entire Select Sires team for identifying nearly 200 Select Sires bred daughters in the headlocks for guests to view at the farm.

Thank you to STGenetics, TX, for selecting Dutch Hollow Chrome Dina-ET at the National Heifer Sale. We are grateful for your continued support of our breeding program. Her littermate sister (which was offered as a choice) has already been started in our IVF program here at Dutch Hollow.

*Their dam "Diva" picture right at 14-years young and going strong.*

It was a pleasure to host a tour during the annual meetings. We are so thankful for the kinds words expressed to our family throughout the day.
